Dear Mr. Treanor;

We are writing you to formally request that our home be removed from the proposed Corona Road sewer project.  
APN #241031018  
Assessment #8  
88 Corona Road

15.20.050 states, Connection to public sewers require:

Any structure containing plumbing where people reside, congregate, or are employed shall be connected to an approved sanitary sewer when a sewer main is located within 300 feet (300') of the structure and when the parcel on which the structure is located abuts the road, street, or alley where the sewer main has been installed. This requirement shall not apply, and the structure shall be connected to an approved OWTS, or implement an alternative specified in section 15.20.040 of this chapter when :

1. Such building or structure is connected to an OWTS which is functioning in a lawful

manner

A system that requires the contents of the septic tank to be pumped three or more

times per year to prevent overflow or other malfunction shall be conclusively presumed to be non functioning in a lawful manner.

**WE MEET THE FOLLOWING CRITERIA:**

**1. Our septic system is functioning in a lawful manner, and meets with all EHB for Monterey County standards.**

**2. Our home is located well over the three hundred foot limit as stated above.**

**3. We the owners of the property are unable after the exercise of all diligence to obtain any easement necessary for the proposed connection pipe.**

We ask for your immediate cooperation in removing our parcel from the Corona Road Sewer project to avoid having us resort to legal means to achieve the outcome we are entitled to under the law.

Sincerely,

Melinda PH McCurdy \_\_\_\_\_ 1/25/24
