You don't often get email from [philipaissen@sbcglobal.net](mailto:philipaissen@sbcglobal.net). [Learn why this is important](#)

This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Barbara:

As a property owner on Pescadero Rd, Carmel I oppose the proposed "Carmel Area Wastewater District (CAWD) Installed Ejection Pump Policy" as it appolies to my home.

It will totally compromise the sewage system which existed when I purchased my home 27 years ago and introduce numerous problems.

Philip Aissen
